

Tenor Jon Vickers

This series of lectures is designed for the enrichment of the students at the Faculty of Music of the University of Toronto. Mr. Vickers' reflections on one's commitment and responsibility to art and the pursuit of truth through music, "the art of arts", are fundamental elements of his philosophy. This is the philosophy which took him to the major opera stages of the world, and which he now shares with the students at the Faculty of Music.

Tuesday 31 October	12:00 - 2:00 pm	General Introduction - Acting Dean Robert Falck Lecture by Mr. Vickers <i>About Art</i>
